A Message from the Bishop

My Dear Brothers and Sisters,

It is with heartfelt gratitude that we share the 2022-2023 Annual Report for the Catholic Foundation of Utah. On the occasion of the 40th Anniversary of its founding, I am pleased to let you know that the Foundation continues to carry out its mission well in service to our Diocese.

As we look ahead, we know that our Diocese is growing. Today, we estimate there are more than 300,000 Catholics in the state of Utah. We are home to 56 parishes and missions and 16 Catholic schools. With each passing year, more people are joining our faith. The mission of the Catholic Foundation of Utah is as vital today as it was 40 years ago. We must continue to provide support for the mission of evangelization of our Church through endowed funds to ensure a steady source of revenue for the next generation and beyond.

As we look back on forty years of generosity, I wish to thank all who have shared gifts, large and small, in support of the Diocese of Salt Lake City. Together, we are lifting the faithful and sustaining our faith as God intends.

Yours in Christ,

Un Mensaje del Obispo

Mis queridos hermanos y hermanas,

Es con sincera gratitud que compartimos el Informe Anual 2022-2023 de la Fundación Católica de Utah. Con motivo del 40° Aniversario de su fundación, me complace comunicarles que la Fundación sigue cumpliendo bien su misión al servicio de nuestra Diócesis.

Al mirar hacia el futuro, sabemos que nuestra Diócesis está creciendo. Hoy, estimamos que hay más de 300.000 católicos en el estado de Utah. Tenemos 56 parroquias y misiones y 16 escuelas católicas. Cada año que pasa, más personas se unen a nuestra fe. La misión de la Fundación Católica de Utah es tan vital hoy como lo era hace 40 años. Debemos seguir prestando apoyo a la misión de evangelización de nuestra Iglesia a través de fondos de dotación para garantizar una fuente constante de ingresos para la próxima generación y más allá.

Al recordar cuarenta años de generosidad, deseo dar las gracias a todos los que han compartido donativos, grandes y pequeños, en apoyo de la Diócesis de Salt Lake City. Juntos, estamos levantando a los fieles y sosteniendo nuestra fe como Dios quiere.

Suyo en Cristo,

Reverendísimo Oscar A. Solis, D.D.
Obispo de Salt Lake City

A Message from the President

On behalf of the Trustees and staff of the Catholic Foundation of Utah, it is my honor and privilege, along with a sense of personal humility and shared pride, to present the CFU 2024 Annual Report. Thank you to our donors who identified the missions, ministries, needs, and wants of the Diocese of Salt Lake City and now generously support them. I also express gratitude to CFU's people—including Executive Director Nevah Stevenson, Bishop Solis, CFO Candice Greenwald, and my fellow Trustees—for their wonderful work in maintaining CFU as an enduring enterprise designed to outlive us all.

“

The Catholic Foundation of Utah is here to help create an endowment and shepherd, grow, protect, and distribute the fruits of an endowment's charitable purpose. Assisting donors in their generosity and recipients in their ministry will always be the joyful mission of the trustees and staff of the Catholic Foundation of Utah.

~ Howard R. Lemcke

”

The past year has been one of focused, determined work within CFU's mission to bring benefactors' visions and beneficiaries' desires together and into reality. The Board of Trustees has worked to craft needed updating of our Bylaws, Articles of Incorporation, and 501(c)(3) documentation to reflect more accurately who we are and how we function. The Board has better-defined roles and relationships within our tasks and invited Trustees who will broaden our relationships and presence within the Diocese. Our work with the Foundation's financial advisors, along with improved market performance and the supervision of Diocesan/CFU CFO Candice Greenwald, allowed us to offer nearly a million dollars for distribution to donor-designated beneficiaries.

Our report highlights some of the many wonderful CFU donors and beneficiaries. Please enjoy these glimpses into a sample of over 400 endowments entrusted to our stewardship. Endowments are arranged around recipient parishes, schools, and ministries to highlight what has been done and suggest what could be done. We gratefully accept donations in any amount for existing endowments and are ready to assist potential donors and recipients in defining their legacies.

Endowments are devices for legacy contributions to the ongoing needs of our diocese, often funded through wills, insurance proceeds, estate planning, or singular gain. Others are created by families, parishioners, neighbors, or classmates in collaborative celebration or remembrance and are potentially bolstered by agreements, challenges, and contests for ongoing contributions or requests for donations in lieu of flowers or gifts. The Catholic Foundation of Utah is here to help create an endowment and shepherd, grow, protect, and distribute the fruits of an endowment's charitable purpose.

Finally, let me again express my deep gratitude to donors, trustees, clergy, and staff who continue to be the Foundation's strength. I remain humbled to be entrusted with the responsibilities given to me as President of the Board of Trustees of the Catholic Foundation of Utah. Please pray for me in this enterprise.

Yours in Christ,

Mensaje del Presidente

En nombre de los fideicomisarios y el personal de la Fundación Católica de Utah, es para mí un honor y un privilegio, junto con un sentido de humildad personal y orgullo compartido, presentar el Informe Anual CFU 2024. Gracias a nuestros donantes que identificaron las misiones, los ministerios, las necesidades y los deseos de la Diócesis de Salt Lake City y ahora los apoyan generosamente. También expreso mi gratitud al personal de la UFC -incluyendo a la Directora Ejecutiva Nevah Stevenson, al Obispo Solís, a la Directora Financiera Candice Greenwald, y a mis compañeros Fideicomisarios- por su maravilloso trabajo en mantener a la UFC como una empresa duradera diseñada para sobrevivirnos a todos.

El año pasado fue un año de trabajo centrado y decidido en la misión de la UFC de hacer realidad las visiones de los benefactores y los deseos de los beneficiarios. El Patronato ha trabajado en la necesaria actualización de nuestros estatutos, escritura de constitución y documentación 501(c)(3) para reflejar con mayor precisión quiénes somos y cómo funcionamos. El Patronato ha definido mejor las funciones y relaciones dentro de nuestras tareas y ha invitado a Patronos que ampliarán nuestras relaciones y presencia dentro de la Diócesis. Nuestro trabajo con los asesores financieros de la Fundación, junto con la mejora del rendimiento del mercado y la supervisión de la directora financiera de la Diócesis/CFU, Candice Greenwald, nos permitió ofrecer casi un millón de dólares para su distribución a los beneficiarios designados.

Nuestro informe destaca algunos de los muchos y maravillosos donantes y beneficiarios de la CFU. Les invitamos a echar un vistazo a una muestra de las más de 400 dotaciones que se nos han confiado. Las dotaciones están organizadas en torno a las parroquias, escuelas y ministerios beneficiarios para destacar lo que se ha hecho y sugerir lo que se podría hacer. Aceptamos con gratitud donativos de cualquier cuantía para las dotaciones existentes y estamos dispuestos a ayudar a los posibles donantes y beneficiarios a definir sus legados.

"La Fundación Católica de Utah está aquí para ayudar a crear una dotación y pastorear, hacer crecer, proteger y distribuir los frutos del propósito caritativo de una dotación. " ~ Howard R. Lemcke

Las dotaciones son dispositivos para las contribuciones de legado a las necesidades continuas de nuestra diócesis, a menudo financiadas a través de testamentos, ingresos de seguros, planificación patrimonial o ganancias singulares. Otras son creadas por familias, feligreses, vecinos o compañeros de clase en colaboración para celebrar o recordar y se ven potencialmente reforzadas por acuerdos, retos y concursos para contribuciones continuas o solicitudes de donaciones en lugar de flores o regalos. La Fundación Católica de Utah está aquí para ayudar a crear una dotación y pastorear, hacer crecer, proteger y distribuir los frutos del propósito caritativo de una dotación. Ayudar a los donantes en su generosidad y a los beneficiarios en su ministerio será siempre la alegre misión de los fideicomisarios y del personal de la Fundación Católica de Utah.

Por último, permítanme expresar de nuevo mi profunda gratitud a los donantes, los fideicomisarios, el clero y el personal, que siguen siendo la fuerza de la Fundación. Me siento muy honrado por las responsabilidades que se me han confiado como Presidente del Patronato de la Fundación Católica de Utah. Les ruego que recen por mí en esta empresa.

Suyo en Cristo,
Howard R. Lemcke

A Message from the Executive Director

Dear Donors, Beneficiaries and Friends,

Connections. We all make them, but how often do we stop to assess their value? After all, it's the good connections that bring us joy. They should be cherished. It's human nature to gravitate toward positive connections, whether intentional or accidental. They feed our souls and fuel our purpose. As I reflect on the 4 decades that have passed since the creation of the Catholic Foundation of Utah, it's clear that the CFU has been nurtured by 40 years of countless good connections.

As Catholics, we aspire to have meaningful interactions—with God, our families, colleagues, friends, and even strangers— and we attempt to infuse those connections with the same grace that God shows us. In the digital age, authentic connections can sometimes feel diluted. But when we come from a place of generosity, good connections exist for us to give and receive in perpetual abundance. CFU donors are shining examples of generosity born of good connections. Thank you to each and every donor who chose to connect a precious gift with a meaningful purpose through the Catholic Foundation of Utah.

This year's 40th Anniversary marks the perfect time to extend gratitude for how far we have come and intend to go. Energized by the growth potential over the next 40 years, we've refreshed CFU branding, implemented new advertising, engaged our remarkable Board to map out a five-year Strategic Plan, and committed to making deeper connections around the Diocese.

The CFU made great strides this past year. We helped donors create new endowments. We met hundreds of Catholics around the state. We visited missions, parishes, and schools that benefit from the endowments created in their name, and at the close of the 2022-2023 fiscal year, we dispersed nearly 1 million dollars to Catholic entities throughout the Diocese.

I look forward to the growth to come in the next 40 years and encourage you to go out and make great connections in the spirit of finding joy and inspiration. Please prayerfully consider ongoing support for the future of the Catholic Church in Utah, and may God's grace be with you always.

In gratitude,

Nevah L. Stevenson, *Executive Director*

Un Mensaje del Director Ejecutivo

Estimados donadores, beneficiarios y amigos,

Conexiones. Todos las hacemos, pero ¿con qué frecuencia nos detenemos a evaluar su valor? Al fin y al cabo, son las buenas conexiones las que nos dan alegría. Deberíamos apreciarlas. La naturaleza humana gravita hacia las conexiones positivas, ya sean intencionadas o accidentales. Alimentan nuestras almas y alimentan nuestro propósito. Cuando reflexiono sobre las 4 décadas que han pasado desde la creación de la Fundación Católica de Utah, está claro que la CFU se ha nutrido de 40 años de innumerables buenas conexiones.

Como católicos, aspiramos a tener interacciones significativas—con Dios, nuestras familias, colegas, amigos e incluso extraños—e intentamos infundir a esas conexiones la misma gracia que Dios nos muestra. En la era digital, las conexiones auténticas a veces pueden parecer diluidas. Pero cuando procedemos de un lugar de generosidad, las buenas conexiones existen para que demos y recibamos en perpetua abundancia. **Los donantes de la UFC son brillantes ejemplos de generosidad nacida de buenas conexiones. Gracias a todos y cada uno de los donantes que eligieron conectar sus valiosos regalos con un propósito significativo a través de la Fundación Católica de Utah.**

"Como católicos, aspiramos a tener interacciones significativas—con Dios, nuestras familias, colegas, amigos e incluso extraños—e intentamos infundir a esas conexiones la misma gracia que Dios nos muestra."

~ Nevah L. Stevenson

El 40 Aniversario de este año es el momento perfecto para expresar nuestra gratitud por lo lejos que hemos llegado y por lo que pretendemos llegar. Entusiasmados por el potencial de crecimiento para los próximos 40 años, hemos renovado la marca de la CFU, implementado una nueva publicidad, involucrado a nuestra extraordinaria Junta para trazar un Plan Estratégico de cinco años, y nos hemos comprometido a establecer conexiones más profundas en toda la Diócesis.

La UFC dio grandes pasos el año pasado. Ayudamos a los donantes a crear nuevas dotaciones. Nos reunimos con cientos de católicos de todo el estado. Visitamos misiones, parroquias y escuelas que se benefician de las dotaciones creadas en su nombre, y al cierre del año fiscal 2022-2023, dispensamos casi un millón de dólares católicas en toda la Diócesis.

Espero con interés el crecimiento que vendrá en los próximos 40 años y les animo a salir y hacer grandes conexiones en el espíritu de encontrar alegría e inspiración. Por favor, consideren en oración el apoyo continuo para el futuro de la Iglesia Católica en Utah, y que la gracia de Dios esté siempre con ustedes.

Con gratitud,

A Message from the Chief Financial Officer

Dear Donors and Friends,

It has been a productive year for the Catholic Foundation of Utah, and I am delighted to report the state of the Foundation remains strong. Dedicated work in partnership with our investment advisors, the CFU Investment Committee, and the full CFU Board ensures due diligence is a top priority and that investments always align with USCCB guidelines* and Catholic values.

I continue to be impressed by the level of generosity that flows through the Foundation. Donors are the key to lifting entities throughout our diocese so they can continue to thrive. This fiscal year resulted in strong investment earnings for the Foundation portfolio, allowing nearly \$1 million in distributions to beneficiaries.

Recently, I was honored to lead a Diocesan team in presentations for the Bishop’s Finance Road Tour. Designed to offer insight into the financial workings of the Diocese, we presented to the northern, Salt Lake, and southern deanery areas and enjoyed meeting members of multiple parish and finance councils from around the state. The CFU Executive Director, the Director of the Office of Stewardship and Development, and the Diocesan Director of Archives and Records joined me in these presentations. It was an exciting opportunity to connect with parishioners and share the nuts and bolts of our diocesan organization.

The Catholic Foundation of Utah operates as a separate 501 (c) (3) organization under the auspices of the Diocese of Salt Lake City. To that end, the Foundation’s consultative board provides vital insight to the Bishop, who in turn relies on their diligence to shepherd the funds entrusted to our care. As you look through the details in this report, you will see that the Foundation has continued steady growth year over year and a protracted five-year view as well. The corpus grew by 1.56% over last year, and endowments increased by 11.9% year over year. Distributions totaled \$958,419.00.

Serving the Catholic Foundation of Utah and its mission continues to be my honor. Thank you for giving. We bear witness to the benefits of your gifts today, as will the generations of tomorrow.

Yours in Christ,

Un Mensaje del Director Financiero

Estimados donantes y amigos

Ha sido un año productivo para la Fundación Católica de Utah, y me complace informarles que el estado de la Fundación sigue siendo sólido. El trabajo dedicado en colaboración con nuestros asesores de inversiones, el Comité de Inversiones de la CFU y la Junta Directiva de la CFU en pleno garantiza que la diligencia debida sea una prioridad máxima y que las inversiones se ajusten siempre a las directrices de la USCCB* y a los valores católicos.

Me sigue impresionando el nivel de generosidad que fluye a través de la Fundación. Los donantes son la clave para levantar entidades en toda nuestra diócesis para que puedan seguir prosperando. Este año fiscal se tradujo en fuertes ganancias de inversión para la cartera de la Fundación, lo que permitió distribuciones a los beneficiarios por casi 1 millón de dólares.

Recientemente, tuve el honor de encabezar un equipo diocesano en las presentaciones del Bishop's Finance Road Tour. Diseñado para ofrecer una visión del funcionamiento financiero de la Diócesis, nos presentamos en las áreas de decanato del norte, Salt Lake y sur y disfrutamos conociendo a miembros de múltiples parroquias y consejos de finanzas de todo el estado. El Director Ejecutivo de la UFC, el Director de la Oficina de Mayordomía y Desarrollo y el Director Diocesano de Archivos y Registros me acompañaron en estas presentaciones. Fue una oportunidad apasionante para conectar con los feligreses y compartir los entresijos de nuestra organización diocesana.

La Fundación Católica de Utah funciona como una organización 501 (c) (3) independiente bajo los auspicios de la Diócesis de Salt Lake City. Para ello, el consejo consultivo de la Fundación proporciona información vital al Obispo, quien a su vez confía en su diligencia para administrar los fondos que se nos confían. Al examinar los detalles de este informe, verán que la Fundación ha mantenido un crecimiento constante año tras año y también una prolongada perspectiva quinquenal. El corpus creció un 1,56% respecto al año pasado, y las dotaciones aumentaron un 11,9% interanual. Las distribuciones totales \$958,419.00

Servir a la Fundación Católica de Utah y a su misión sigue siendo un honor para mí. Gracias por sus donaciones. Hoy somos testigos de los beneficios de sus donaciones, como lo serán las generaciones del mañana.

Lifting the Faithful and Sustaining our Faith

The Catholic Foundation of Utah was established to strengthen the Catholic Church in Utah and serve its present and future needs by promoting permanent endowed funds.

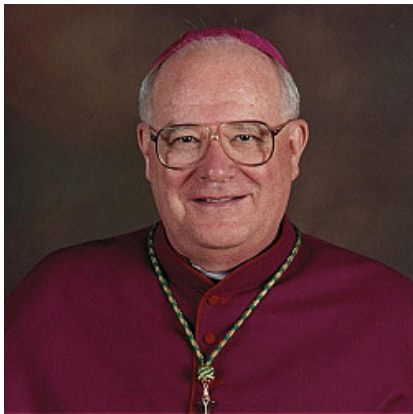

Over 200 years ago, the first Catholic priests traveled from New Mexico through Utah, looking for an overland route to the Pacific Ocean. Today, Catholics in Utah number well over 300,000 (10% of the state population) and are served by over 41 priests in 81 parishes, missions, stations, and 16 Catholic schools. The Diocese of Salt Lake City comprises an area of nearly 85,000 square miles.

As the Diocese has grown, so too has the Catholic Foundation of Utah. Since its establishment in 1984, each Bishop has prioritized the Foundation's mission and nurtured asset growth to provide for future generations.

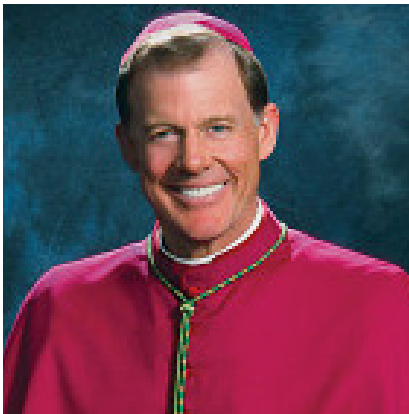

Bishop William K. Weigand, Founder (1980 – 1993)

Bishop Weigand created the Catholic Foundation of Utah in 1984 and oversaw the expansion of Catholic Community Services programs, including the construction of the Weigand Resource Center and the \$10.4 million interior renovation of the Cathedral.

Bishop George H. Niederauer
(1995 – 2006)

The Four Pillars

An endowment was created to support each of the four key pillars of the Catholic Diocese of Utah, by the Board of the Catholic Foundation under former Bishop John C. Wester. Thank you for considering support for one of these endowments (or others) that speak to the ongoing needs within our Diocese.

Pillar One | EXPANSION OF FACILITIES AND PROGRAMS

The Bishop's Future Fund was created to provide for land purchases for future parishes and missions, new schools, facilities, and expansion and renovation of existing structures.

Pillar Two | FUNDING CATHOLIC SCHOOLS AND YOUTH MINISTRY

The Youth Ministry and Education Endowment was created to provide funds for catechetical materials and religious education and to bridge the rising costs of education and the need to provide just salaries for educators.

Pillar Three | TRAINING FOR THE PRIESTHOOD

The Seminarian and Priestly Formation Endowment was created to provide funds to offset the cost of preparation for the priesthood. The lengthy process of academic study, spiritual life formation, and pastoral skills training costs in excess of \$56K annually for each seminarian. A well-funded endowment aids the Diocesan Vocations Office in its recruitment efforts and ensures those who answer the call will be well-educated and trained throughout their lifetime of church service.

Pillar Four | SUPPORTING RURAL CHURCH COMMUNITIES

The Rural Church Development and Missionary Outreach Endowment was created to provide funds for transportation, including vehicle purchases, technology, and catechetical resource materials. Utah's isolated areas present financial challenges for priests, deacons, and lay people who travel thousands of miles monthly to provide mass, sacraments, and religious education.

Profiles in Generosity

SUPPORTING THE CARMELITE MONASTERY

Francis and Joan Hanson | Salt Lake City, Utah

Francis and Joan Hanson

Francis and Joan Hanson are understated on the topic of their altruism. They joyfully support various organizations, but prefer not to trumpet their giving—a testament to how they live their Catholic faith. There are times, however, when the whispers of generosity warrant amplification. Such was the case when the Hansons contemplated the needs of the Carmelites in Holladay, Utah.

Francis, a Professor Emeritus of Chemical Engineering at the University of Utah, and a Notre Dame graduate, attributes his spiritual and pragmatic outlook in part to his friendship with the late Fr. Ted Hesburgh. Fr. Ted, a Catholic priest who served as President of the University of Notre Dame for

35 years, made an indelible impression on Francis and Joan. They fondly recall favorite Fr. Ted quotes that bolstered their desire to live faith by example. Their example is rooted in sharing their gifts—of love, faith, and the fruits of life’s labors.

The Hansons recognize that an endowment must be nurtured. It is their hope that others will help support their effort. As Francis stated, he can hear Fr. Ted whispering in his ear...”If it’s right, do it.”

Francis and Joan established an endowment to benefit the Carmelite Monastery, to provide for its preservation, and to support the needs of the sequestered nuns who serve there. Citing the impact of the pandemic and the modest Carmelite fundraising, the Hansons wanted to do something to ensure future support. “Maybe they can work their way through the next time something happens,” Francis said.

The Carmel of the Immaculate Heart of Mary Monastery was founded in 1952 when a group of Carmelite Sisters left the monastery of Carmel of Saint Teresa in Alhambra, California, and arrived in Salt Lake City to establish the Carmelite life and Apostolate in Utah.

The Carmelite Monastery in Salt Lake City is described as follows:

“...it stands there as a Tree of Life, humbly yet proudly, poor yet magnificent, hidden yet powerful. Quietly, it stands there, enhancing the beauty of the greater Salt Lake Valley. Uninhibited by enclosure walls, profoundly, it stands there in the heart of the Church, sending the message of love and prayers to the whole world.”

ST. MARTHA'S BABY BASKET Cindy Davidson | Cedar City, Utah

Cindy Davidson is passionate about mothers and babies. Her closets are filled to the rafters with layettes and lotions, blankets and bottles, diapers, and daily necessities, all to give moms and newborns a good start in life.

Cindy believes every mother deserves to feel special following the birth of a child, and every newborn should go home with a new blanket and layette. However, not all moms have the means or support system to provide these things. Imagine giving birth in the hospital while worrying about limited resources. Then imagine a smiling nurse strolling into your room, bearing a beautiful basket full of gifts for you and your baby. That moment of joy is what keeps Cindy busy week after week, year after year, managing St. Martha's Baby Basket Project in Cedar City, Utah. This past year, they distributed 53 baskets— 29 baskets for baby boys and 24 for baby girls. A grand total of 1,060 have been gifted over 29 years.

Cindy and her small army of volunteers work tirelessly gathering, purchasing, and categorizing the items they stock for the baskets. There are seasonal layettes for babies born on holidays, boy and girl outfits, and gift cards for moms. Every quilt is sewn lovingly by hand. Cindy is grateful for the storage space provided by her parish, Christ the King Catholic Church.

Donations help fund this effort, but Cindy recognized it would take more to support St. Martha's Baby Basket Project long-term. So, she started to save. She contacted the Catholic Foundation of Utah about establishing an endowment. Then she saved some more. Eventually, Cindy was able to establish an endowment, which now provides an annual distribution to help cover expenses.

Basket Delivery: *Cindy Davidson with friend Patti Pearcy (r), and Sam Kravetz (l), who built the storage space at the parish, pose with hospital nursing staff.*

The need is ongoing, and the gratitude is palpable. Cindy recalls checking out at Walmart one day, her cart filled with newborn-sized clothing and necessities. The cashier asked if she had multiple grandchildren of the same age. Cindy laughed and explained the charitable effort, at which point the female cashier's face stretched into a smile. "I received one of your baskets!" she said. It was a rare and gratifying connection that Cindy will never forget. The women exchanged hugs, and Cindy left, knowing that the impact on that young mom would endure, just as the endowment purpose intends.

MARY CATHERINE COCCIMIGLIO

Love for our Savior was her guide in all things

Mary Catherine Coccimiglio
1937-2021

A Forever Friend— this is how Nancy Rutledge describes her relationship with her dear friend Mary Coccimiglio. In January of 2022, following Mary’s passing at 84 years of age, Nancy was honored to speak to funeral guests about the forty-five-year friendship the two women shared. They met in 1977, placed in each other’s path by God’s design, according to Nancy, and from that day forward, their sisterhood began.

When Mary’s beautiful soul departed this earth, she left behind a great legacy of love, compassion, and joy. Born in Bingham, Utah, in 1937, she was the only child to parents Jimmy and Isabelle, and was their most cherished blessing. They named her Mary, meaning “wished for child,” because she was the gift they’d prayed for, and she brought untold joy to their lives.

Raised to be charitable, loving, and kind, qualities that came naturally, Mary shared generously from her heart. She cherished family and friends, and as a woman of faith, she loved her Lord and Savior. Nancy states that Mary’s love of Christ “...was her strength in all things in life. She never felt alone or afraid, knowing her Lord was with her.” Perhaps it is that confidence in the Lord’s presence that inspired Mary to share her treasures so meaningfully.

Through the Catholic Foundation of Utah, Mary bequeathed a generous gift to Catholic Community Services in her estate plan. Nancy, her forever friend, was honored to help facilitate the gift. Mary left other gifts to causes in need, each a testament to how she lived life selflessly, gratefully, and lovingly in the manner God intended.

“Give something, however small, to the one in need. For it is not small to one who has nothing. Neither is it small to God, if we have given what we could.”

To be a priest of Jesus Christ is to make an offering of your life on behalf of God's people not just once, but every day. In imitation of the Master to live a life that is given up, that is laid down, so that through us others might be able to have life in abundance."

"The vocation is truly a treasure that God places in the hearts of some men, chosen by Him and called to follow Him in this special state of life."

REFLECTIONS ON MY SPIRITUAL JOURNEY

By Fr. Oscar Marquina

I had always felt God's providential care through prosperity and worldly success. In fact, it was one of the reasons I reverted back to the Catholic faith— I wanted to start going to Church in thanksgiving for all of God's blessings in my life. In my mind, God's presence was demonstrated when everything was going well. I received scholarships, job promotions, and travel opportunities, which allowed me to store worldly treasures on earth. My spiritual life, ironically enough, was praying for material treasures and seeing God's hand in the gifts received. When I received moments of intelligence, periods of good health, and bonuses from promotions, I would think, 'This is great, such great luck!' But what is the true Christian perspective? What is the right thing to ask for to grow spiritually?

Spending time with Christ in the Eucharist, listening to the readings at Mass, and taking time in silence to reflect, I began understanding that things can work for good or for evil. After years of praising God for incredible providential moments in my life, I began to see that these blessings, while seemingly positive, could also impede my personal and spiritual growth. Ultimately, money can be used by an honest man or by a criminal. Money can rescue the lives of people who are suffering or can isolate individuals and communities. Health can be used to give oneself over to the family and community, but having good health can also be an occasion for all kinds of abuses, and so on with many other things, above all intelligence. The decisive thing in life is not in what comes to me but in how I respond to what comes my way.

Left: Feast of the Presentation of the Lord (2 February 2024) Right: Fr. Oscar Marquina, working towards a Licenciata of Canon law (JCL) at Pontifical Gregorian University in Rome, will complete his studies in 2025.

It's taken a long time to go from finding joy in providential gifts and being "lucky" to growing more self-aware in order to use my conscience, knowledge, character, and conviction of heart to respond to life's gifts and events. This spiritual maturity has happened with time, but most importantly, it happened alongside the constant presence of Christ in the sacraments. Christ has given me the conviction that there are other types of treasures to accumulate!

The Bible teaches that we should not hastily label events as good or bad but rather focus on our responses to them. It all depends on how you use it and what you do with what life has given you. There are people who have suffered a lot and have made their suffering a path of mercy, solidarity, and a great testimony for us all. God uses events, sometimes good, sometimes bad, to show His justice and His providence. Rather than thinking of all the possible "what if" scenarios, it's best to reflect on how I could respond with virtue, love, and trust in God's presence. Greater than the stories and experiences of God's providential events is the self-knowledge that comes from each of them. These moments of great providence have now become an insight into my priorities, strengths, weaknesses, and dependency on Christ. The Christian life has many dimensions, and this is just one thread of my spirituality.

MY JOURNEY TO THE PRIESTHOOD

By Brian Schumacher

Above: Brian Schumacher serving at St. Mary's Old Town Church, in Park City, Utah.
Left: Brian hiking in Utah.

As I write this, I'm just now noticing that I am halfway through my time in the seminary. I have been in seminary for three complete years and have two-and-a-half more to go before I become a priest. When I look back on my life, I am still surprised that I'm even here at all— but I am very thankful, and I look forward to serving the Church as one of her priests. Though I am a seminarian for the Catholic Diocese of Utah— I was neither raised Catholic, nor in Utah. In fact, I was baptized as an Episcopalian and raised as a Lutheran in North Carolina.

I had a pretty average upbringing: I played baseball and trombone, participated in church and other social functions. After high school, I went to college and graduated with a BA in English. I became a TV journalist for a local news station in North Carolina. I was a producer and worked entirely behind the camera. In 2015, after working in news for over three years, I was looking for a change of scenery and started to work at Fox13 in Salt Lake City. Immediately, I fell in love with Salt Lake and Utah. It had everything I wanted: backpacking, skiing, snowshoeing, film festivals – all the adventures a man in his mid-twenties could want.

However, things took a turn in 2017. I was going through a bit of a hard time and was looking for a deeper fulfillment in life. I tried hiking, backpacking, and all the adventures, but they weren't doing it for me anymore. One day, I was walking around downtown Salt Lake City when I noticed the Cathedral of the Madeleine. I had never been inside before, so I thought I'd take a look. I walked in and was admiring the beautiful art and architecture when I decided to kneel down and pray. What happened next changed my life forever. As I was praying, I started to realize all the ways I pushed Christ to the peripheries of my life, and He showed me how making Him central in my life would bring me the fulfillment I was looking for. I felt His closeness in a way I had never felt before, and I truly believe it was my soul recognizing the real presence of Christ in the Eucharist. I walked into the cathedral as a Protestant, and I walked out as a Catholic.

Immediately, I joined RCIA and was received into the Church on the Easter Vigil of 2018. Throughout my twenties, I had always felt a tug toward life as a minister but could never pull the trigger on the idea. When I became Catholic, that reluctance disappeared, and I realized I was simply looking for a church where I could see myself as a priest, and that is what Catholicism offers me. Now, I study in Rome. My time in seminary has brought me closer and closer to Christ, and I realize that conforming yourself to Christ is life's truest adventure. It's the adventure God wants us all to take part in, and I can't wait to share my adventure with the people of Utah and encourage them on their own journeys.

Thank You to Reverend Monsignor Terence M. Moore

Servant of God, Pastor, Trustee, and Friend
February 24, 1943 - December 19, 2023

Our diocese recently lost a cherished pastor and dedicated member of our CFU Trustee family. Msgr. Terence Moore was a humble and faithful servant who was deeply committed to social justice. We are grateful for his years of service on the board of the Catholic Foundation of Utah.

Msgr. Moore served many years as Director of Refugee Resettlement and, later, Executive Director of Catholic Community Services. He was a nurturing pastor at St. Thomas More Parish in Sandy for 14 years and then founded and served as pastor at St. John the Baptist Parish in Draper, for another 14 years. His accomplishments are immeasurable, as are the blessings he brought to the lives of all who knew him. May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

**“May the road rise up to meet you. May the wind be always with you.
May the sunshine warm you always, ‘til we meet again.”**

– Irish Blessing (Blessing Prayer)

**Thank you for sharing your
heartfelt gifts.
May God bless you.**
