

## Parish Safe Environment Annual Audit Report Instructions

*The parish administrator and SEC are responsible for tracking all employees as well as volunteers in contact with children/youth minors and submitting this report annually, no later than July 15<sup>th</sup> to the Diocesan Safe Environment Office.*

*This information is required for the Annual USCCB Audit which assesses the implementation of The Charter for the Protection of Children and Young People.*

### **Audit Report Instructions**

The Charter auditors are looking for the total number of employees and volunteers that were required to be Safe Environment Certified and are active as of June 30<sup>th</sup>.

**It includes those that were active and Safe Environment Certified in prior years – not just those Safe Environment certified during the current year. It does not reset to zero each year.**

**Hint:** If you could gather all the current, active adult volunteers and take a photo of them all together on June 30<sup>th</sup>, how many would there be? That total will be entered under the Adult Volunteer section.

Include: (note definitions under each role on the form)

- All employees active as of June 30<sup>th</sup> (NOT CLERGY)
- All volunteers active as of June 30<sup>th</sup>

Do Not Include:

- Anyone that became inactive and therefore were archived prior to June 30<sup>th</sup>
- Anyone who is not required to be Safe Environment Certified.
